Application 2006  
(Document 4)**

Luz Marina Rodriguez (1920-2002) was a woman of many talents but consistent with what most defined her; her love of family and for children. Recognizing the power of education, as a young woman in Cuba she tutored students. Luz never turned away a person in need, going without so that others, often strangers, could have. Luz was a simple but proud woman who led with truth and integrity and her contagious smile, laughter and optimism filled every heart that knew her.

This \$1,000 scholarship is established in her memory by her daughter, Rodri J. Rodriguez, Foundation Chairperson and will be given to a high school student that will be attending college to be used for tuition and school expenses.
